

The 2nd Annual Myocarditis Foundation Patient & Family Support Meeting

White Sands Oceanfront Resort in Point Pleasant, NJ

Saturday, June 7th

5:30pm-7:30pm – Family Dinner Cruise: Join the Myocarditis Foundation's board of directors and the many patients and families affected by myocarditis for a casual dinner cruise. This will be a social event allowing for people to meet one another, chat, and enjoy the beautiful sunset on the Manasquan River.

Sunday, June 8th

8:00am-12:30pm – Patient and Family Support Meeting: This meeting is for both survivors and families who have lost a loved one to come, learn about myocarditis, discover the most recent research, find tools and resources for their path or recovery and/or grief, and to make lasting friendships with those who truly understand the pain and difficulties myocarditis brings to individuals and families.

Meeting Highlights Include:

- Talks by: myocarditis expert Dr. Leslie Cooper, pediatric cardiologist Dr. Jack Price, and myocarditis researcher Dr. DeLisa Fairweather,
- A grief specialist will take time to talk with families who have lost a loved one
- Patients and Families will have an opportunity to share their personal stories of myocarditis
- Learn about awareness ideas and tools for your community and purchase MF gear
