

Cardio-Rheumatology Symposium: Inflammatory Cardiac & Cardiovascular Disease

Friday, May 30, 2025

8:00 am to 4:00 pm EST

ACCME Credits, In-Person & Virtual Conference

8:00 *Registration & Breakfast*

8:30 *Welcome & Opening Remarks*

Course Directors: Adam Mor MD, Nir Uriel MD, Dor Lotan MD, Teja Kapoor MD & Jason Liebowitz MD

8:50 *The Intersection of Cardiology & Rheumatology: An Integrated Approach*

Dor Lotan MD, *Assistant Professor of Medicine*; Jason Liebowitz MD, *Assistant Professor of Medicine*

SESSION 1: Inflammatory Cardiomyopathy

9:10 *Fellow Presentation*

9:15 *Cardiac Sarcoidosis Uncovered: From Initial Presentation to Diagnostic Work-Up*

Kyung Taek (David) Oh MD, *Assistant Professor of Medicine, Columbia*

9:30 *Advancing Therapies for Cardiac Sarcoidosis: Innovations & Approaches*

Maria Salgado MD, *Assistant Professor of Medicine, Columbia*

9:55 *Inflammatory Cardiomyopathy in Systemic Vasculitis*

TBD

10:15 *Myocarditis Due to Systemic Inflammatory Conditions*

TBD

10:35 *Panel Session: Q&A*

10:55 *Breaking New Ground: Novel Advances in the Management of Recurrent Pericarditis*

Dor Lotan MD, *Assistant Professor of Medicine*

11:15 *Utilization of MRI & PET & Their Role in Diagnosing Myocardial & Pericardial Inflammation*

Andrew J. Einstein MD, PhD, *Professor of Medicine (in Radiology), Columbia*

11:45 *Keynote Presentation 1: Novel Approach for Management of Myocarditis*

Leslie Cooper MD, *Professor of Medicine, Mayo Clinic*

12:15 *Q&A & Lunch*

SESSION 2: Master Class in Cardio-Rheumatology

1:00 *Fellow Presentation*

1:05 *Keynote Presentation 2: Inflammation & Atherosclerosis*

Paul Ridker MD, MPH, *Eugene Braunwald Professor of Medicine, Harvard*

1:35 *Cardiovascular Risk in Adult Rheumatic Disease*

Joan Bathon MD, *Professor of Medicine, Columbia*

2:05 *Amyloidosis: A Multidisciplinary Challenge in Cardio-Rheumatology*

Mathew Maurer MD, *Arnold & Arlene Goldstein Professor of Cardiology, Columbia*

2:35 *Panel Session: Q&A*

SESSION 3: Targeted Therapies: Navigating Medications in Immune-Mediated Cardiomyopathies

2:50 *Fellow Presentation*

2:55 *Cardiac Considerations of DMARD & Biologic Therapy*

Yevgeniya Gartshteyn MD, *Assistant Professor of Medicine, Columbia*

3:15 *Cardiac Complications of Immunotherapy*

Jayant Raikhelkar MD, *Assistant Professor of Medicine, Columbia*

3:35 *ICI Myocarditis: From Science to Bedside*

Adam Mor MD, *Herbert Irving Associate Professor of Medicine, Columbia*

4:00 *Panel Session: Q&A*

4:15 *Closing Remarks*
